Online Learning

The Board believes that a variety of learning options, including online courses and programs, are critical for 21st Century learners. Therefore, the Board supports a range of online learning opportunities that are available to students in the District. The Board directs the superintendent to provide information to parents, students and staff regarding online learning options and the guidelines for participation.

The superintendent or designee will develop procedures to implement this policy. The procedures will include, but not be limited to, a description of student access to online learning courses/programs, student eligibility criteria, the types of online courses available to students, methods the district will use to support student success, payment of course fees and other costs, granting of course credit and conditions under which no credit will be awarded.
