

**INSTRUCTION**

**Sexual Health Education, Grades 5-12**

Instruction and materials for the district's sexual health education program, will meet the following criteria:

- A. Medically and scientifically accurate;
- B. Age appropriate;
- C. Inclusive of all students regardless of their protected class status;
- D. Consistent with the Health Education K-12 Learning Standards adopted by the Office of Superintendent of Public Instruction (OSPI);
- E. Consistent with the Guidelines for Sexual Health Information and Disease Prevention;

In grades K-3 instruction will be in social and emotional learning that is consistent with the social and emotional standards and benchmarks adopted by OSPI.

Comprehensive sexual health education will begin in grade 5 and continue yearly in grades 6-12 and will include instruction about:

- The physiological, psychological, and sociological developmental processes experienced by an individual;
- Abstinence and other methods of preventing unintended pregnancy and sexually transmitted diseases; abstinence may not be taught to the exclusion of other materials and instruction on contraceptives and disease prevention;
- Health care and prevention resources;
- The development of intrapersonal and interpersonal skills to communicate, respectfully and effectively, to reduce health risks and choose healthy behaviors and relationships based on mutual respect and affection, and free from violence, coercion, and intimidation;
- The development of meaningful relationships and avoidance of exploitative relationships;
- Understanding the influences of family, peers, community and the media throughout life on healthy sexual relationships;
- Affirmative consent and recognizing and responding safely and effectively when violence or a risk of violence is or may be present, with strategies that include bystander training.

Definitions

The district's program will provide sexual health education as defined by RCW 28A.300.475..

- A. Comprehensive Sexual health education:  
RCW 28A.300.475 defines comprehensive sexual health education as recurring instruction in human development and reproduction that is:
  - 1. Medically and scientifically accurate:
  - 2. Age appropriate
  - 3. Inclusive of all students, regardless of their protected class status; and
  - 4. Uses language and strategies that recognize all members of protected classes under Chapter 49.60 RCW
- B. Comprehensive sexual health education for students in grades K-3 is defined as: Instruction in social-emotional learning that is consistent with learning standards and benchmarks adopted by the Office of Superintendent of Public Instruction under RCW 28A.300.478.
- C. Affirmative consent is defined as: A conscious and voluntary agreement to engage in sexual activity as a requirement before sexual activity.
- D. Medically and scientifically accurate:  
RCW 28A.300.478 defines medically and scientifically accurate as information that is verified or supported by research in compliance with scientific methods, is published in peer review journals, where appropriate, and is recognized as accurate and objective by professional organizations and agencies with expertise in the field of sexual health including but not limited to, the American College of Obstetricians and Gynecologists, the Washington State Department of Health (DOH) and the Federal Centers for Disease Control and Prevention.
- E. 2005 Guidelines for Sexual Health Information and Disease Prevention: This publication, prepared by the DOH and the Office of Superintendent of Public Instruction (OSPI), provides the fundamental framework for establishing a medically and scientifically accurate comprehensive sexual health education program for students. A copy of the [Guidelines for Sexual Health Information and Disease Prevention](#) is located on the DOH and OSPI websites.

The district must ensure that all instructional materials are medically and scientifically accurate. The DOH is available to provide technical assistance in determining medical and scientific accuracy. When choosing curriculum, district staff may examine the list of materials reviewed for medical and scientific accuracy that are located on the [OSPI](#) website at [www.k12.wa.us](http://www.k12.wa.us).

The district must conduct a review of the selected or developed curriculum using the comprehensive sexual health curriculum analysis tools provided by OSPI.

---

Parental/Guardian Notification Process for students in grades 5-12

One month prior to teaching a program in sexual health education, each school will provide written notice to parents of the planned instruction.

Parent/Guardian Material Review Process for students in grades 5-12

One month prior to providing instruction in sexual health education, the district will notify parents of students in grades 5-12 that all instructional materials are available to parents/guardians for inspection. The materials could include written materials and/or electronically formatted materials. The opportunity for inspection will be provided at a time and place convenient for parent/guardian participation such as evenings or weekends.

Excluding Student in grades 5-12 from a Program/Opt-Out

A parent/guardian who wishes to have a student excused from planned instruction in sexual health education must file a written request with the board of directors or its designee, at least (*ten days*) days prior to the planned instruction. The district will make the appropriate opt-out form available. Excused students will be provided with appropriate alternative educational opportunities.
