

INSTRUCTION

Home or Hospital Instruction

Upon request from a parent or a student of majority age, home or hospital instruction shall be provided to students who are unable to attend school for an estimated period of four weeks or more because of physical disability or illness. A written statement from a qualified medical practitioner verifying that the student will not be able to attend school for an estimated period of four weeks or more shall accompany the request. The District shall not pay for any costs incurred in securing the medical verification.
