

STUDENTS

Release of Resident Students

A student who resides within the boundaries of the District shall be released to (1) attend another school district, or (2) enroll for ancillary services, if any, in another district as specified in the parental declaration of intent to provide home-based instruction, provided the other district agrees to accept the student if:

- A. A financial, educational, safety, or health condition affecting the student would be reasonably improved as a result of the transfer;
- B. Attendance at the school in the nonresident district is more accessible to the parent's place of work or to the location of child care;
- C. There is some other special hardship or detrimental condition affecting the student or the student's immediate family, which would be alleviated as a result of the transfer. Special hardship or detrimental conditions include a student who becomes a resident of the District in mid-year. Such a student may apply for a release to complete the current school year only in his or her former district of residence if transferring midyear would create a special hardship or detrimental condition;
- D. The purpose of the transfer is for the student to enroll in an online course or online school program offered by an online provider approved under RCW 28A.250.020; or
- E. The student is a child of a full-time school employee of another Washington public school district.

When a resident student is released, the student or the student's parents shall be solely responsible for transportation, except that the students may ride on an established District bus route if the superintendent determines that the District would incur no additional cost.

The parent or guardian shall request the release of his/her child by completing the appropriate transfer request form including the basis for the request and the signature

of the superintendent, or his or her designee, of the school district that the student will attend.

The superintendent shall grant or deny the request for release according to the above-stated criteria, and promptly notify the parent in writing of his/her decision.

If the request is granted, the superintendent shall notify the nonresident district and make necessary arrangements for the transfer of student records.

If the request is denied, the superintendent shall notify the parent of his/her right to petition the Board, upon five school business days prior notice, for review of the decision and to have a hearing with the Board at its next regular scheduled meeting. Following the hearing by the Board, a final decision shall be promptly communicated to the parent in writing.

If the request is denied by the Board, the written decision shall inform the parent or guardian of the right to appeal such decision to the State Superintendent of Public Instruction.

Each school district board of directors annually will inform parents of the district's interdistrict enrollment options. Information on interdistrict acceptance policies will be provided to nonresidents upon request. Providing online access to the information satisfies the requirements of this policy unless a parent or guardian specifically requests information to be provided in written form.
