

## STUDENTS

### Student Health

#### Vision and Hearing Screening

The District will provide for and require screening of the vision and auditory acuity of students attending schools within the District. Screening procedures identify those children who are likely to have vision and/or auditory defects.

The superintendent will institute a screening program that complies with state board of health requirements dealing with the schedule of screening, the auditory and visual standards, and the qualifications of those who conduct screening activities.

Approved: February 26, 2003
