Student Fundraising for School Organizations

The Board acknowledges that the solicitation of funds from students, staff, and citizens must be limited since students are a captive audience and since solicitation can disrupt the program of the schools. Solicitation and collection of money by students for any purpose including the collection of money in exchange for tickets, papers, magazine subscriptions, or for any other goods or services for the benefit of an approved school organization may be permitted by the superintendent providing that student safety is of paramount importance and that the instructional program is not adversely affected.

The superintendent shall establish procedures for the solicitation of funds by approved school organizations, official school-parent groups, and by approved outside organizations. The principal shall distribute these procedures to each student organization granted permission to solicit funds.
