Vehicles Authorized on District Property

Motorized vehicles are not permitted on unimproved District property with the following exceptions:

- (1) Vehicles operated by District employees or authorized agents or contractors on District business;
- (2) Emergency vehicles on the business of a governmental agency or recognized non-profit emergency agency;
- (3) Vehicles authorized in writing by the Director of Operations or the Director of Construction, Facilities, and Maintenance.

Use of vehicles on other District property shall be regulated by such rules as the Superintendent or administrator responsible for the site may prescribe.
