🌀 **The Valedictorian** is an academic title conferred upon the student with the highest ranking among his/her graduating class. Olympic High School begins the selection process with the student's earned grade point average, then factors in the level of rigor within a student's academic program as evidenced by the number of credits earned in Advanced Placement or College in the High School classes. The Valedictorian wears a medallion and earns the honor of delivering the valedictory address during the Commencement ceremony.

🌀 **The Salutatorian** is an academic title conferred upon the second highest ranking among his/her graduating class. Olympic High School begins the selection process with the student's earned grade point average, then factors in the level of rigor within a student's academic program as evidenced by the number of credits earned in Advanced Placement or College in the High School classes.
